

SUMMARY

A motivated and detail-oriented Information Technology student with a solid foundation in software development and proficiency in MERN stack technology (MongoDB, Express.js, React, Node.js). Where I am applying my knowledge in full-stack web development, creating dynamic, scalable web applications, and improving the user experience. Eager to continue learning and contributing to innovative projects while leveraging both my academic learning and internship experience.

EDUCATION

Dr. APJ Abdul Kalam Technical University, Lucknow

Bachelor of Technology
2021 - 2025

S.G.S. Inter collage Badagaon, Varanasi

Intermediate
2019 - 2021

SKILLS

- HTML
- CSS
- JavaScript
- Bootstrap
- React js
- Express js
- Node js
- Mongodb
- Git & GitHub
- Responsive Design
- Visual Studio Code

CERTIFICATIONS

- Python Programing Training (From Udemy) - 2023
- Cricket Winner - 2024

PROFESSIONAL EXPERIENCE

Internship

CodeSoft - from 06/2024 - 07/2024

- I have done my internship at CodeSoft , where I have been honing my skills in building dynamic, scalable, and responsive web applications using the MERN stack (MongoDB, Express.js, React, Node.js). Passionate about coding and eager to leverage academic knowledge and internship experience to contribute to innovative projects and solutions in the tech industry.

Projects

Mega Projects

- Responsive Chat App
Developed a feature-rich chat application using the complete MERN stack. This Chat App is responsive for all screen size.
- Athlete Winner
Designed and developed a dynamic olympic winner country web application using the MERN stack.

Mini Projects

- Education Hub Clone
- Pokemon Card clone
- Movie Clone
(I have used only HTML, CSS, JavaScript and Tailwind in my mini projects.)

Languages

- Hindi
- English
